

No Bake 4 Ingredient Choc Slice!

My favourite part about this is you can change it up by simply changing 2 ingredients, the chocolate you use and the toppings. So go on, get creative!

Ingredients:

- ◆ 1 packet Choc Ripple biscuits
- ◆ 1 block of chocolate of choice
- ◆ 1 can of Condensed Milk
- ◆ Topping of choice (m&m's, flake, mint, crushed up crunchie etc)

Method:

- 🥄 Line a dish with baking paper
- 🥄 Break up chocolate into microwave safe container
- 🥄 Tip can of condensed milk into same container
- 🥄 Microwave for 1 minute
- 🥄 Take out, stir and back in for 1 min
- 🥄 Crush up biscuits in food processor
- 🥄 Add biscuit to melted ingredients
- 🥄 Stir in well until combined
- 🥄 Pour into dish and flatten out
- 🥄 Add toppings of choice & push into the top of the slice
- 🥄 Set in fridge for 2 hours

Cut up & enjoy! 🍪
